FROM YCLC TO ACLC

"In regards to the name change from the Young Cattlemen's Leadership Class to the Arkansas Cattlemen's Leadership Course—the one constant in life is change. We, as the committee that oversees the program, desired a more profound and pronounced tie to the Arkansas Cattlemen's Association in the title and we also wanted to shift the perception of future applicants by eliminating the word young from the title. The mission of the course will be the same as it has for years: promoting and educating the next leaders of our great industry, particularly inside the Arkansas Cattlemen's Association."

– Phillip DeSalvo, YCLC Chairman
