# STEAK DINNER —OUR TREAT.

Our annual ACA Area Spring Conferences are intended to update all local associations within our designated ACA areas about association business, membership, leadership and industry news. These conferences are held with open invitations extended to all ACA members and their families, county and association leadership, friends, neighbors, non-members and representatives from all industry-related businesses and organizations. We look forward to seeing you there!

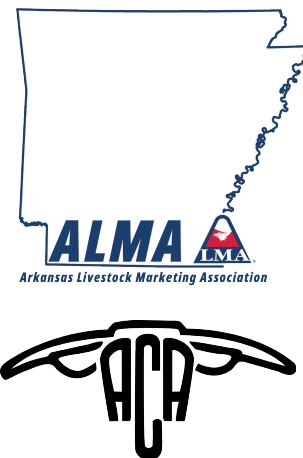

# 2023 ACA AREA SPRING CONFERENCE PROGRAM DETAILS:

The Arkansas Livestock Marketing Association (ALMA) is proud to sponsor and present the program for the 2023 ACA Area Spring Conferences! Representatives from local livestock auctions will present an informative program to the attendees on behalf of ALMA.

ALMA is dedicated to serving its members in the open and competitive auction method of marketing livestock. ALMA represents its member businesses on the state level, in both the livestock and livestock marketing industries, through support and communication efforts, as well as work with regulatory agencies and the state legislature.
